

Eaton's Fuller Reman is second only to a new transmission.

FLEX Reman Transmission

Reman Transmission

You have many options for rebuilt transmissions, but only Eaton's Reman Transmission gives you the quality and content as a genuine, new Eaton transmission. Other advantages include:

- Industry's best warranty in the U.S. and Canada* – 2 years for linehaul applications and 18 months for vocational applications.
- 100% genuine Eaton content.
- Backed by the Roadranger Network – the nation's leading support system for drivetrain components – providing unequalled protection, support, and training from experienced professionals.
- Expertly remanufactured using Eaton technology.
- Dyno performance tested to meet Eaton standards.

Stop searching and start selling with FLEX Reman Transmissions

When faced with a truck down situation, access to quality Reman units is critical. But you need to keep inventory low and quickly turn what you have in stock to keep your dealership profitable.

Eaton offers a Genuine, flexible solution offering increased coverage with lower inventory. Eaton's FLEX Reman transmissions:

- Cover a wide range of torque.
- Shipped without clutch housing (new gasket included).
- Shipped with a standard shift bar housing position, covering majority of market.

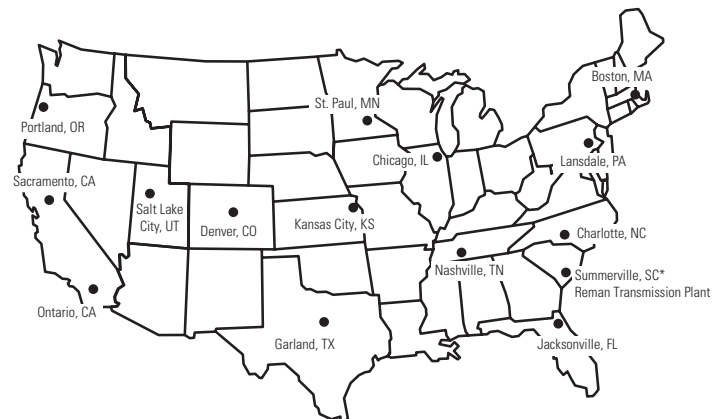

* Please refer to the Roadranger Warranty Guide TCWY0900 for the latest warranty time and mile offerings.
